**RULES OF
TEQUILA
VS
MEZCAL**

Rule 1. All Tequila is Mezcal, but not all Mezcal is Tequila.

Rule 2. Tequila is only from Jalisco-grown Blue Agave, but Mezcal can be made from different agave varieties from nine different regions.

Rule 3. Different distillation, agave for tequila is steamed whereas Mezcal agave is cooked in earthen fire pits.

Rule 4. It is all delicious, try for yourself to see the difference!
