THE CHEF'S WAY

How Chef Eddy dresses each taco, plus a few favourites from the team. Use the salsas and garnishes at your table to build yours the same way, or make it your own.

BROCCOLI

Morita aioli, lime

BRUSSELS SPROUT

Jalapeño emulsion, salsa negra

CHICKEN AL PASTOR

Salsa negra, morita aioli, pico de gallo

"The morita gives the al pastor a little smoke that sits right with the adobo char. That's how I eat it every time."

– CHEF EDDY

CARNITAS

Jalapeño emulsion, onion, cilantro, lime

"I skip the taquera and go straight to salsa negra. The burnt onion and charred tortilla with the pork, that's my way."

– DOUG

CARNE ASADA

Morita aioli, pico de gallo

BIRRIA

Salsa taquera, onion, cilantro, lime

"I always ask for a side of consommé and dip every taco, then finish each one with a little morita aioli."

– JULIO
